

MATTING

INDUSTRIAL • INTERIOR • ANTI-FATIGUE ENTRANCE (INDOOR/OUTDOOR) • LOGO • SLIP RESISTANT

In Hospitals, Hotels, Industrial Facilities, Restaurants and Schools, Mats should be a key element in any building maintenance program. 70-80% of dust, grime and dirt in a building is tracked in from people's feet. Walk-off mats are the most effective way of stopping dirt at the door and keeping maintenance costs to a minimum.
