OUR MISSION

Franklin Cleaning Technology ***Total Cleaning Solutions for your Business***

For nearly 70 years, Franklin has provided premium sanitary maintenance products to you, our valued customer.

By listening carefully to your needs, we have been able to meet our mission: to deliver the highest performing products, programs, and services to improve your cleaning efficiency.

*This mission is reflected in our new Franklin logo and brand name, as well as in the way we do business. This dynamic change from “Franklin Maintenance Products” to “Franklin Cleaning Technology” recognizes the most significant trend in the cleaning industry today—focus on the total cleaning solution, not simply on the product. **A total solution includes:***

- *job estimation*
- *sales support*
- *training support and materials*
- *on-line ordering*
- *Internet support*
- *access to labor resources*

and many other new and evolving services available through your Franklin Cleaning Technology distributor.

*Our new lightning bolt logo represents the constant search for invention, improvement, and technology to benefit our customers. You can count on Franklin now, as you always have, to provide effective products **as part of a total solution** to meet your cleaning needs.*

Your Franklin Cleaning Technology catalog is a guidebook to the most comprehensive line of cleaning maintenance products in the industry. Think of it as “one-stop shopping” for virtually every floor care, general cleaning, and specialty cleaning requirement you have. When you need to clean “quicker, easier, better”, call Franklin to put total cleaning solutions to work for you!

Finishes and Waxes

NOVA X®

Our best selling finish. Designed for daily or frequent burnishing in all maintenance systems. Dries to a clear film with the highest initial gloss, high-end burnished gloss. Spray buffable. Extraordinary soil, scuff and black heel mark resistance. 20% Solids.

Availability: F465222 (4/1 Gal), F465226 (1/5 Pail), F465238 (1/55 Drum)

INTERSTATE 50®

Our most economical, burnishable/spray buffable finish for high speed and ultra high speed maintenance programs. Repairs easily. Excellent for retail and school type programs. 20% Solids.

Availability: F195022 (4/1 Gal), F195025 (1/5 Cube), F195038 (1/55 Drum)

DE-FENSE®

Our most popular finish for economical, low speed maintenance systems. Clear, durable, acrylized film. Good initial gloss with excellent scuff and black heel mark resistance. Spray buffable. 17% Solids.

Availability: F135022 (4/1 Gal), F135025 (1/5 Cube), F135038 (1/55 Drum)

EXCEL®

Patented, non-yellowing Polyacrythane (acrylic/urethane dual copolymer) based formula provides an "All Systems" finish that is ultra high speed burnishable, spray buffable and bright drying. 19% Solids.

Availability: F190022 (4/1 Gal), F190025 (1/5 Cube), F190038 (1/55 Drum)

QUASAR®

High solids, low maintenance finish, designed for high traffic areas. Dries to a clear film, builds gloss rapidly, and reduces application labor. Burnishable. 25% Solids.

Availability: F136022 (4/1 Gal), F136025 (1/5 Cube)

HACK-IT®

A traditional floor wax that contains the finest natural carnauba and montan waxes fortified with synthetic components to provide toughness, clarity and durability. Ideal as a protective coating during construction and sandy conditions. 22% solids.

Availability: F192022 (4/1 Gal), F192026 (1/5 Pail)

FOUNDATION®

Dries to a tough, almost color-free film resistant to scuffing, heel marks, discoloration, soiling and heavy foot traffic. Spray buffable. 19% Solids.

Availability: F105022 (4/1 Gal), F105026 (1/5 Pail), F105038 (1/55 Drum)

GRAND-PRIX®

Designed for ultra-high-speed maintenance systems. When dry burnished at 2,000+ RPM, GRAND-PRIX produces a "flash cured", thermoplastic reaction resulting in an "ultra wet look" finish with superior durability. 19% Solids.

Availability: F131022 (4/1 Gal), F131025 (1/5 Cube), F131038 (1/55 Drum)

NO MATCH®

Our least expensive floor finish. Good performance where price is the issue. Excellent detergent, scuff and black heel mark resistance. 14.2% Solids.

Availability: F109026 (1/5 Pail)

LOCKSTEP®

A wax-based floor polish that combines scrubability with the advantages of a buffable floor wax. Buffs to an exceptionally high gloss. 11% Solids.

Availability: F147026 (1/5 Pail)

ANSWER™

(NOT PICTURED)

Versatile floor finish for use in all styles of maintenance systems. Spray buffable or burnishable. Special zinc-free formulation is ideal for use in facilities where waste water management is a critical issue. 19.5% Solids.

Availability: F465422 (4/1 Gal)

Strippers

OFFENSE™

Our best selling, best performing stripper. Patented, fast acting no-rinse stripper is specially formulated to quickly penetrate and dissolve difficult to remove floor finish build-up. Low odor, low foaming and biodegradable. Use on vinyl, vinyl composition, vinyl asbestos, asphalt, marble, terrazzo, concrete and magnesite floors. Recommended dilution: Normal (1:4).

Availability: F218022 (4/1 Gal), F218026 (1/5 Pail), F218038 (1/55 Drum)

ONCE OVER™

An excellent value no-rinse stripper. It penetrates through and suspends normal floor finish buildup for rinse free removal. Safe on most resilient and non-resilient floors including mineral surfaces, vinyl, vinyl composition, asphalt, rubber, terrazzo, brick and quarry tile. Recommended dilution: Normal (1:4), Extreme build-up (1:1).

Availability: F200022 (4/1 Gal), F200026 (1/5 Pail), F200038 (1/55 Drum)

OUT-STRIP®

Fast acting, powerful, low foaming, low pH stripper formulated primarily for use with an autoscrubber. Saves labor. Safe on most resilient and non-resilient floors. Recommended dilution: Normal (1:8), Extreme build-up (1:4).

Availability: F537222 (4/1 Gal), F537226 (1/5 Pail), F537238 (1/55 Drum)

SUPERSCOPE™

Economical, low odor, non-ammoniated stripper. Removes conventional floor finishes using low speed equipment or burnished finishes using propane stripping machines. Rinses freely. Recommended for use on marble, vinyl, vinyl composition, asphalt, rubber, brick, terrazzo, linoleum and concrete. Recommended dilution: Normal (1:8), Extreme build-up (1:4). USDA A4.

Availability: F208022 (1/4 Gal), F208026 (1/5 Pail), F208038 (1/55 Drum)

SPEEDSOPE®

An economical ammoniated stripper and all purpose cleaner. It contains no harsh solvents that can attack the floor. Recommended for use on marble, vinyl, vinyl composition, asphalt, rubber, brick, quarry tile, terrazzo, linoleum and concrete. Recommended dilution: Normal (1:32), Extreme build-up (1:5). USDA C1.

Availability: F205022 (4/1 Gal), F205026 (1/5 Pail), F205038 (1/55 Drum)

T.E.T. #12 POWER STRIPPER

A highly concentrated, non-butyl, low odor, low pH stripper in our T.E.T. mobile dilution packaging. Leaves no alkaline residue. Recommended for use on marble, vinyl, vinyl composition, asphalt, rubber, brick, terrazzo, linoleum and concrete. One quart yields four gallons in-use stripping solution. Recommended dilution: Normal (1:16), Heavy build-up (1:8).

Availability: F379214 (6/32 Oz)

FILM BUSTER™

Aerosol baseboard stripper. Concentrated heavy duty formulation removes floor finish, wax and soil buildup from baseboards, floors, edges, corners and other difficult to reach areas. Recommended for use on vinyl, vinyl composition, asbestos, terrazzo, ceramic and quarry tile floors. USDA C1.

Availability: F424015 (12/18 Oz)

Franklin's floor strippers cover a wide variety of applications ensuring we have the solution to whatever your floor stripping maintenance program may require.

Sealers and Maintainers

ACCOLADE™

A versatile, urethane fortified sealer/finish ideally suited for use on high visibility, non-resilient flooring. Applies easily and dries to an excellent, durable gloss. Burnishable. Provides the protection of a quality sealer and the gloss of a floor finish. May be used on all types of flooring except unsealed wood. 20% Solids.

Availability: F139022 (4/1 Gal), F139026 (1/5 Pail), F139038 (1/55 Drum)

SUPER GARD™

Waterbased, non-yellowing acrylic sealer. Applies easily and dries to a beautiful satin gloss. Excellent detergent resistance. May be used on all types of flooring except unsealed wood. 16% Solids.

Availability: F316022 (4/1Gal), F316026 (1/5 Pail), F316038 (1/55 Drum)

RUNWAY™

For sealing concrete and other masonry floors. RUNWAY can be applied with mop or sprayer on new or old floors and requires no surface etching before application or recoating. It dries quickly, is non-yellowing, non-toxic and non-flammable. Recommended for all types of flooring except unsealed wood. 19% Solids.

Availability: F372022 (4/1 Gal), F372026 (1/5 Pail), F372038 (1/55 Drum)

BD FLOOR DRESSING

Black pigmented sealer/finish for plank asphalt tile. Formulated to handle the special finishing needs of asphalt plank floors. Applies easily and dries to an excellent gloss. Will not turn white. Approved by the U.S. Post Office. 14% Solids.

Availability: F152026 (1/5 Pail), F152038 (1/55 Drum)

CHEKIT®

Permanent oil modified urethane concrete sealer for use on interior concrete and masonry surfaces. Solvent based formula is easy to apply, levels beautifully, and requires no acid etching. Excellent durability, abrasion, stain, chemical and solvent resistance. Light color, patches easily. 40% Solids.

Availability: F373026 (1/5 Pail)

#20 UHS COMBO CLEANER/MAINTAINER

Our best UHS cleaner/maintainer. This non-film forming product provides superior cleaning, revitalizes the finish to extend strip and recoat cycles, builds gloss and reduces powdering. Ideal for use with automatic scrubbers, and/or mop and bucket. Citrus fragrance, clear straw color. Available in T.E.T. mobile dilution control packaging and Lightning Blend packaging. Recommended dilution: T.E.T. (1:256), Lightning Blend (1:128). USDA C1.

Availability: F378419 (2/64 Oz), F455822 (4/1 Gal), F459525 (1/5 Cube)

RESTORIT®

A ready-to-use film forming restorer for ultra high speed maintenance programs. This triple action formula utilizes detergents that clean, acrylic polymers that restore the film surface and moisturizers that improve burnish response. It may be applied with a mop and bucket or autoscrubber.

Availability: F191022 (4/1 Gal), F191026 (1/5 Pail), F191038 (1/55 Drum)

CROSS LINK II®

Ready-to-use water based spray-buff reactant that chemically bonds with floor finish, producing the optimum in gloss and durability. Removes black heel marks and scuffs; helps control powdering. Recommended for use in schools, hospitals, churches, supermarkets, malls and offices.

Availability: F439012 (12/32 Oz) Quart case includes 2 trigger sprayers, F439022 (4/1Gal)

Cleaners

FRESHBREEZE™

Our most economical, concentrated neutral cleaner that effectively cleans without dulling the finish. Low foaming, biodegradable, rinse free with a clean citral fragrance. Use with a mop or autoscrubber. Can be used on any surface not harmed by water. Recommended dilution: Normal (1:128). USDA C1.

Availability: F378822 (4/1 Gal), F378825 (1/5 Cube), F378838 (1/55 Drum)

COMPARE™

Our best selling neutral cleaner. This triple action heavy duty cleaner is ideal as a general purpose cleaner, mop on floor cleaner, or automatic scrubber cleaner. Low foaming, rinse free and biodegradable. Use on any surface not harmed by water. Pleasant fresh herbal fragrance. Recommended dilution: Normal (1:64), General (1:42).

Availability: F216022 (4/1 Gal), F216026 (1/5 Pail), F216038 (1/55 Drum)

SEVENTY-7

A highly concentrated, controlled suds, all purpose cleaner, safe to use on all washable surfaces. Buffered, mild pH, biodegradable. Ideal for use with mop and bucket applications. SEVENTY-7 contains no solvents or harsh alkali. Recommended dilution: Normal (1:64), Heavy duty (1:20). USDA A4.

Availability: F214022 (4/1 Gal), F214026 (1/5 Pail), F214038 (1/55 Drum)

QUARRY TILE CLEANER

A concentrated, mild acid formulated to clean, brighten and improve slip resistance on quarry and ceramic tile. Removes tough soils, such as grease and soap scum that deposit deep in the pores of grout and tile. Use in restrooms, kitchens, on floors and walls in meat processing areas or any area with hard water salt or soap scum buildup. Bland fragrance. Recommended dilution: Normal (1:32). USDA A4.

Availability: F231022 (4/1 Gal), F231026 (1/5 Pail)

LB #2 NEUTRAL CLEANER

A highly effective, low foaming neutral cleaner in our Lightning Blend packaging. Cleans without dulling, rinse free and biodegradable. May be used with a mop or autoscrubber. Pleasant herbal fragrance, dark green color. Can be used on any surface not harmed by water. Recommended dilution: Normal (1:128). USDA C1.

Availability: F452022 (4/1 Gal)

T.E.T. #2 NEUTRAL FLOOR CLEANER

Ultra concentrated, low foaming neutral cleaner in our T.E.T. mobile dilution packaging. Pleasant citrus fragrance, red color. Effectively cleans without dulling the finish, rinse free, biodegradable. One quart bottle yields 32 four gallon buckets (1:512) or 32 eight gallon automatic scrubber tanks (1:1024).

Availability: F375418 (3/32 Oz)

Spotters and Presprays

2'N 1 RUG SPOTTER RTU

General purpose ready-to-use water-based spotter. Removes most oil and waterbased spots and stains. Use for daily spotting as well as for spotting prior to any carpet cleaning.

Availability: F374012 (12/32 Oz) Quart case includes 2 cleaning pads.

BROWN BEE GONE RTU

Ready-to-use mild acid formula designed to remove coffee, red wine, rust, tea, urine and browning stains from carpet. Use for daily spotting as well as for spotting prior to any carpet cleaning.

Availability: F374612 (12/32 Oz)

CRISP™

Aerosol freezing type gum and wax remover. Contains no CFC's or HFC's. Use for daily spotting as well as for spotting prior to any carpet cleaning.

Availability: F426015 (12/5 Oz)

CARPET PRESPRAY

Concentrated, fast acting, waterbased, mild alkaline, general purpose prespray designed for pre-treating traffic lanes. Safe for use on stain resistant carpeting. Biodegradable, pleasant floral fragrance. Recommended dilution: Normal (1:10).

Availability: F376022 (4/1Gal)

Multi-Use Carpet Products

LB #21 ANSWER™ MULTI-USE CARPET CLEANER

Our most versatile carpet cleaner, available in Lightning Blend packaging. This complete carpet cleaner can be used in 4 ways; as a spotter, a prespray, a spin clean and an extraction cleaner. This unique formulation provides safe/carefree maintenance of all commercial carpet types. Biodegradable, low foaming, neutral pH. Pleasing fresh apple fragrance, light straw color. Approved by Wool's of New Zealand. Recommended dilution: Spotter (1:32), Prespray (1:64), Bonnet (1:128), Extraction (1:128).

Availability: F380422 (4/1 Gal), F380426 (1/5 Pail), F380438 (1/55 Drum)

T.E.T. #16 CARPET 3 IN 1 CLEANER

Ultra concentrated, neutral pH multi-use carpet cleaner in our T.E.T. mobile dilution packaging, floral fragrance, light amber color. This triple action cleaner can be used as a prespray, spin bonnet or extraction cleaner. Safe for stain resistant carpeting. Recommended dilution: One half gallon yields 16 two gallon pump sprayers (1:64), 16 four gallon buckets of ready-to-use cleaning solution (1:128), or 16 eight gallon extraction solution tanks (1:256).

Availability: F375028 (4/64 Oz)

RINSE AWAY™

Dual action spotter for red or brown stains and a mild acid extraction cleaner. An essential part of a complete carpet care program. Restores carpet to its original condition by thoroughly removing detergent buildup that frequently results with bonnet or rotary maintenance programs. Eliminates cellulose browning resulting from excessive use of high alkaline cleaners. Safe on all types of carpet (not oriental). Approved by Wool's of New Zealand. Recommended dilution: Spotter (1:32), Extraction (1:128).

Availability: F379822 (4/1 Gal)

Extractors and Shampoos

X-TRAX®

X-TRAX is a concentrated, neutral pH carpet extraction cleaner that is specifically formulated for “new generation” stain resistant carpets. The balanced cleaning action safely removes soils that are embedded deep in the pile. Safe for use on all commercial and residential carpets. Low odor makes it ideal for use in nursing homes, hospitals, nurseries. Recommended dilution: Normal (1:128).

Availability: F534522 (4/1 Gal)

T.E.T. #17 X-TRAX® CLEANER

An ultra concentrated neutral pH carpet extraction cleaner in our T.E.T. mobile dilution packaging. Clear color, lime fragrance. Provides the wetting and detergency that is needed to remove embedded soils. Safe for use on all commercial and residential carpets. Low odor makes it ideal for use in nursing homes, hospitals, nurseries. Recommended dilution: Normal (1:128).

Availability: F375228 (4/64 Oz)

WATER EXTRACTION CARPET CLEANER

High pH extraction cleaner, formulated for hot water extraction systems. Provides an aggressive combination of ingredients for cleaning carpets that are loaded with tough soils. Use in combination with Franklin CARPET PRESpray to salvage even heavily soiled carpets. Use in schools, restaurants and industrial offices. Recommended dilution: Normal (1:128).

Availability: F534022 (4/1Gal), F534026 (1/5 Pail), F534038 (1/55 Drum)

CSQ-2000

One step cleaner, sanitizer and deodorizer. Low foam concentrated formula ideal for use with water extraction or bonnet cleaning equipment. E.P.A. Registered. Not recommended for wool or stain resistant carpets. Ideal for use in hospitals, nursing homes, day-care centers. Recommended dilution: Bonnet Cleaning (1:32), Extraction Cleaning (1:64).

Availability: F244022 (4/1 Gal)

SUPER CARPET & UPHOLSTERY SHAMPOO

Highly concentrated shampoo designed for rotary and dry foam machine application. Works quickly, dries fast to remove soils and leaves carpet as dry as possible. Leaves a residue that is easily vacuumed up. Recommended for use on all natural and synthetic colorfast fabrics. Recommended dilution: Normal (1:50).

Availability: F538022 (4/1 Gal), F538026 (1/5 Pail)

T.E.T. #18 DEFOAMER

Anti-foaming additive in our T.E.T. mobile dilution control packaging. No fragrance, white emulsion. Eliminates foam in extraction equipment recovery tanks caused by excess shampoo residue. Also add to automatic scrubber recovery tanks if foam accumulation is a problem. Recommended dilution: 1 oz. per 8 gallon recovery tank.

Availability: F378016 (2/16 Oz)

PROTECTION PLUS™

Waterbased carpet treatment, applied after extraction, that provides advanced stain protection. Repels soil so that it is more easily removed upon cleaning. Carpets maintain their new look longer. Recommended dilution: Wet Carpet (1:8), Dry Carpet (1:16).

Availability: F541022 (4/1 Gal)

Franklin offers an extensive carpet cleaning program, including ultra concentrate and multi-purpose cleaners.

Malodor Counteractant

SHAKEDOWN

A ready-to-use, non-toxic powdered odor eliminator that counteracts room and rug odors as you vacuum. Can also be sprinkled into trash cans or wherever odors are a problem. Not a mask or cover-up perfume, it is a true malodor counteractant.

Availability: K600493 (12/15 Oz)

CANCEL™

A concentrated liquid, multi-purpose, water-soluble, malodor counteractant that employs the latest technological concepts to control malodors. It effectively counteracts a broad spectrum of disagreeable odors without leaving an overpowering cover-up (masking perfume). Exclusive Herbal/Citral fragrance. Recommended dilution: Mistng (w/trigger sprayer) (1:10), Air freshener (carpet and damp mopping) (1:64). USDA C2.

Availability: F448012 (12/32 Oz), F448022 (4/1 Gal), F448026 (1/5 Pail), F448038 (1/55 Drum)

DISAPPEAR®

Our best selling concentrated liquid, multi-purpose, water-soluble, malodor counteractant. Employs the latest technological concepts to control malodors. It effectively counteracts a broad spectrum of disagreeable odors without leaving an overpowering cover-up (masking perfume). Exclusive spring bouquet fragrance. Recommended dilution: Mistng (w/trigger sprayer) (1:10), Air freshener (carpet and damp mopping) (1:64). USDA C2.

Availability: F510512 (12/32 Oz), F510522 (4/1 Gal), F510526 (1/5 Pail), F510538 (1/55 Drum)

FRIENDLY AIR®

A ready-to-use, waterbased non-staining malodor counteractant spray. FRIENDLY AIR® eliminates a broad spectrum of disagreeable and lingering odors. Exclusive spring garden fragrance freshens indoor air and eliminates malodors. USDA C2.

Availability: F410512 (12/32 Oz) Quart case includes 2 trigger sprayers.

LB #3 MALODOR COUNTERACTANT

Concentrated malodor counteractant that is designed for Lightning Blend dispensing program. Red color. Its fresh herbal/citral fragrance is not overpowering and eliminates a wide range of disagreeable odors. Recommended dilution: Normal (1:128). USDA C1.

Availability: F453022 (4/1 Gal)

T.E.T. MALODOR COUNTERACTANTS

#13 GRANNY APPLE, #14 CANCEL, #15 ORANGES

Ultra concentrated liquid, multi-purpose malodor counteractants in the easy to use T.E.T. mobile dilution control packaging. Available in a variety of pleasing fragrances. Recommended dilution: Normal (1:32). USDA C1.

Availability: #13 Granny Apple F376816 (2/16 Oz), #14 Cancel F377216 (2/16 Oz), #15 Oranges F374816 (2/16/Oz)

Malodor Counteractant

ALPINE

Aerosol air freshener malodor counteractant that eliminates disagreeable odors without the overpowering masking perfumes found in most deodorants. Pleasant alpine fragrance. A 2 second burst deodorizes a 10' x 10' area. Contains no CFC's.

Availability: F807015 (12/15 Oz)

HEATHER

Aerosol air freshener malodor counteractant that eliminates disagreeable odors without the overpowering masking perfumes found in most deodorants. Pleasant heather fragrance. A 2 second burst deodorizes a 10' x 10' area. Contains no CFC's.

Availability: F808015 (12/15 Oz)

ODOR SHIELD (Dispenser)

Attractive, easy to install wall mounted dispensing unit that works with the Franklin ODOR SHIELD malodor counteractant cartridges. Battery operated with a light sensor controlled fan for extended battery life and consistent odor control.

Availability: F577098 (12/Case)

ODOR SHIELD (Replacement Cartridges)

Controlled release malodor cartridges for use with the Franklin ODOR SHIELD Dispenser. Available in Alpine or Heather fragrances. Quick and easy to change. Includes a new set of batteries with each case. Lasts twice as long as competitors.

Availability: Alpine - F574098 (4/6 packs), Heather - F575098 (4/6 packs)

FRESH UP

(NOT PICTURED)

A solid block air freshener that is simple and easy to use. Highly concentrated air freshener available in Early Spring or Seabreeze fragrances.

Availability: Early Spring Fragrance – F600098 (3/12 case), Seabreeze Fragrance – F601198 (3/12 case)

Disinfectants

Q-128

Our best selling quaternary disinfectant. A one-step, neutral germicidal cleaner and deodorizer that provides both cleaning and disinfection. Effective against HIV-1 (AIDS). Green color with a forest pine fragrance. Will not dull or damage floor finishes. For use on hard non-porous surfaces such as floors, walls, metal surfaces, tables, chairs, countertops, porcelain and sinks. Recommended dilution: Normal (1:128). EPA Registered. USDA C1.

Availability: F248022 (4/1 Gal), F248026 (1/5 Pail), F248038 (1/55 Drum)

Q-32

When cleaning performance is an issue, this mild alkaline germicidal cleaner is an excellent choice. Effective against a broad range of pathogens and HIV-1 (AIDS). Q-32 has a clean lemon fragrance and is easy to work with. Recommended dilution: Normal (1:32). EPA Registered. USDA A4.

Availability: F258022 (4/1 Gal), F258026 (1/5 Pail)

SANI-TURGE II

This mild alkaline germicidal cleaner/deodorizer provides good cleaning performance at an economical price. Clean lemon fragrance. Effective against a broad range of pathogens and HIV-1 (AIDS). Disinfects, cleans and deodorizes in one labor saving step. Recommended dilution: Normal (1:64). EPA Registered. USDA C1.

Availability: F277022 (4/1 Gal), F277026 (1/5 Pail), F277038 (1/55 Drum)

SENTINEL®

A powerful, versatile high alkaline germicidal cleaner, disinfectant and sanitizer. Fresh mint fragrance. Effective against a broad range of pathogens and HIV-1 (AIDS). Recommended dilution: Cleaning and Disinfecting (1:20). Cleaning and Sanitizing (1:50 to 1:60). EPA Registered. USDA D1.

Availability: F245022 (4/1 Gal), F245026 (1/5 Pail), F245038 (1/55 Drum)

DUTCH®

A multi-purpose, ready-to-use spray on cleaner and disinfectant. Just spray on and wipe off, with no rinsing needed. It will remove grease and most stubborn stains from most hard surfaces. No mixing or diluting. Solvent fragrance, clear blue color. EPA Registered. USDA C1.

Availability: F414412 (12/32 Oz) Quart case includes 2 trigger sprayers

ONE MOMENT™

Aerosol foaming cleaner and disinfectant. Clean, disinfect and deodorize in one easy operation. Effective against a broad range of pathogens and HIV-1 (AIDS). Fresh citral fragrance. Cleans and brightens all hard non-porous surfaces and fixtures. EPA Registered. USDA C1.

Availability: F803215 (12/18 Oz)

VANGARD™

Aerosol phenolic disinfectant surface and space spray. Effective against a broad range of pathogens including HIV-1 (AIDS) and TB. Disinfects pre-cleaned hard non-porous surfaces, eliminates odors and mildew. Pleasant citrus fragrance. EPA Registered. USDA C1.

Availability: F806215 (12/16 Oz)

Franklin also provides ready-to-use disinfectants for an easy solution when mixing from concentrate isn't convenient.

Disinfectants

T.E.T. #6 DISINFECTANT CLEANER

Ultra concentrated, mild alkaline pH disinfectant cleaner in our T.E.T. mobile dilution packaging. Our most economical in-use dilution germicidal cleaner. Fresh floral fragrance, green color. Effective against a broad range of pathogens and HIV-1 (AIDS). Recommended dilution: Normal (1:256). EPA Registered. USDA C1.

Availability: F377428 (4/64 Oz)

LB #6 ONE-STEP NEUTRAL DISINFECTANT CLEANER

Concentrated hospital grade neutral one-step disinfectant cleaner/deodorizer designed for Lightning Blend dispensing program. Effective against a broad range of pathogens and HIV-1 (AIDS). Pleasant alpine fragrance, purple color. Will not dull or damage floor finishes. Ideal for use on floors and hard non-porous surfaces. Recommended dilution: Normal (1:128). EPA Registered. USDA C1.

Availability: F248422 (4/1 Gal)

T.E.T. #7 NEUTRAL DISINFECTANT CLEANER

Ultra concentrated, neutral disinfectant cleaner in our T.E.T. mobile dilution packaging. A one-step, neutral germicidal cleaner and deodorizer that provides both cleaning and disinfection. Alpine fragrance, green color. Effective against a broad range of pathogens and HIV-1 (AIDS). Will not dull or damage floor finishes. For use on hard, non-porous surfaces such as floors, walls, metal surfaces, tables, chairs, countertops, porcelain and sinks. Recommended dilution: Normal (1:128). EPA Registered. USDA C1.

Availability: F377628 (4/64 Oz)

Franklin's disinfectants are designed to address today's concerns of proper cleaning and disinfection. With a broad product line, it's easy to choose the right product for the right cleaning situation.

Industrial Degreasers

#10 SPEED SPRAY POWER CLEANER

Ultra concentrated, non-butyl, spray and wipe, multi-use power cleaner available in our T.E.T. mobile dilution and Lightning Blend packaging. Our strongest heavy duty cleaner that quickly removes tough soils from washable hard surfaces. Menthol fragrance, purple color. Recommended dilution: Normal T.E.T. (1:8), Lightning Blend (1:10). USDA C1.

Availability: F379019 (2/64 Oz), F379022 (4/1 Gal)

BIG BOSS

Our best selling cleaner/degreaser. A concentrated, powerful butyl degreaser, water-soluble and non-flammable. Sassafras fragrance, purple color. For use on concrete, machinery, machine parts, tools, enamel coated metal, flumes, ventilators, stoves and ovens. Recommended dilution: Varies according to soil conditions. USDA A4.

Availability: F266022 (4/1 Gal), F266026 (1/5 Pail), F266038 (1/55 Drum)

FRANKLIN NBD

Our most economical cleaner/degreaser. NBD is a non-butyl, waterbased degreaser that is effective against a wide variety of soils and greases. It contains no harsh solvents, phosphates or abrasives. Bland fragrance, clear pink color. It can be used on any surface not harmed by water. Its low foaming, ideal for automatic scrubbing equipment. Recommended dilution: Varies according to soil conditions. USDA A1.

Availability: F265022 (4/1 Gal), F265026 (1/5 Pail), F265038 (1/55 Drum)

T.E.T. #4 MULTI-USE DEGREASER

Ultra concentrated, heavy-duty, high alkaline, butyl cleaner/degreaser in our T.E.T. mobile dilution packaging. Biodegradable and free rinsing. Lemon fragrance, light yellow color. Use for daily and heavy duty cleaning/degreasing of washable hard surfaces. Recommended dilution: Normal (1:8).

Availability: F375819 (2/64 Oz)

LB #4 CLEANER/DEGREASER CITRAL

Multi-purpose, concentrated natural citral solvent cleaner/degreaser. Use for daily and heavy duty cleaning/degreasing of washable hard surfaces. In Lightning Blend packaging. Pleasant citrus fragrance, light orange color. This powerful biodegradable formula is also suited for use on concrete, machinery equipment and other tough to clean surfaces. Recommended dilution: Normal (1:128), Heavy duty (1:32). USDA C1.

Availability: F450022 (4/1 Gal)

COMPLEX D-L

A powerful natural citral solvent cleaner/degreaser. Concentrated, non-flammable, biodegradable water-soluble formula that provides efficient soil removal and degreasing action. Citral fragrance, dark green color. Cleans concrete floors, machinery, tools, machine parts, painted and unpainted metal surfaces, ventilators, stoves, ovens and appliances. Recommended dilution: General cleaning (1:32), Heavy build-up (1:16). USDA C1.

Availability: F276022 (4/1 Gal), F276026 (1/5 Pail), F276038 (1/55 Drum)

FORMULA 707

A concentrated heavy duty waterbased cleaner/degreaser. A fast working, low sudsing, non-flammable concentrated industrial cleaner that removes grease, oil, food stains, ink, road tar, soot, and just plain dirt. Slight mint fragrance, clear, light green color. An excellent choice for steam cleaning (contains rust inhibitors), pressure washing and fire restoration. Not for use on non-ferrous metals. Recommended dilution: Varies according to soil conditions. USDA A1.

Availability: F259022 (4/1 Gal), F259026 (1/5 Pail), F259038 (1/55 Drum)

Industrial Degreasers

G-O-E-S

An economical general purpose butyl cleaner/degreaser. Removes grease, oil, wax and heavy soil from all hard surfaces. Ideal for spot cleaning or rapid cleaning where minimal dwell time is necessary such as vertical surfaces. Mild butyl fragrance, rose color. Recommended dilution: Varies according to soil conditions. USDA C1.

Availability: F255022 (4/1 Gal), F255026 (1/5 Pail), F255038 (1/55 Drum)

G-O-E-S RTU

A ready-to-use, general purpose butyl spray-on/wipe-off cleaner. Removes grease, oil, wax and heavy soil from all surfaces. Ideal for spot cleaning or rapid cleaning where minimal dwell time is necessary such as vertical surfaces. Mild solvent fragrance, rose color. USDA C1.

Availability: F465012 (12/32 Oz) Case includes 3 trigger sprayers.

SIMPLEX D-L

Aerosol cleaner and degreaser. Powerful foaming action, natural citral solvent d-limonene and anionic surfactants create a clinging spray that increases dwell time and penetrates tough soils. Contains no CFC's, VOC compliant. Use on all hard surfaces. May also be used to spot clean rugs, carpet and upholstery. USDA C1.

Availability: F428015 (12/18 Oz)

A full line of industrial strength degreasers for all your cleaning needs from parts to industrial floors to surface cleaning, Franklin has the product to do the job right.

Glass Cleaners

T.E.T. #1 GLASS CLEANER

Ultra concentrated non-ammoniated glass cleaner in our T.E.T. mobile dilution packaging. This multi-solvent blend effectively cuts through dirt, grease and grime on glass and other hard surfaces including Plexiglas. Dries quickly with no streaks or smears. Camphor fragrance, blue color. Recommended dilution: Normal (1:32). USDA C1.

Availability: F378616 (2/16 Oz)

LB #1 GLASS CLEANER

Ultra concentrated multi-solvent blend effectively cuts through dirt, grease, smoke, finger marks and grime on glass and other hard surfaces including Plexiglas. Dries quickly with no streaks or smears. Camphor fragrance, blue color. Recommended dilution: Normal (1:128), Heavy duty (1:32). USDA C1.

Availability: F455522 (4/1 Gal)

GLASS CLEANER RTU

A ready-to-use non-foaming glass cleaner that rapidly penetrates and dissolves smears, smoke film, finger marks and soil. Camphor fragrance, blue color. Recommended for use on mirrors, windows, chrome and other reflective surfaces. USDA C1.

Availability: F419322 (4/1 Gal), F419312 (12/32 Oz) Quart case includes 2 trigger sprayers.

BLUE SKY™

Aerosol glass cleaner cleans and polishes with a fast acting foaming spray. The ammoniated formula cleans glass without streaking and smearing and is safe for most washable surfaces. Can be used on chrome, porcelain, ceramic tile, acrylic, Plexiglas, baked enamel, metal cabinets, lockers, vinyl and plastic. Contains no CFC's, VOC compliant. USDA C1.

Availability: F805015 (12/17 Oz)

Bowl and Bathroom Cleaners

HI-GENIC®

Our best selling restroom bowl cleaner. HI-GENIC® is a ready-to-use, thick, non-acid bowl and bathroom cleaner, disinfectant, deodorant, mildewstat and virucidal cleaner that kills HIV-1 (AIDS). It has a very pleasant, long lasting floral fragrance and is completely safe to use for daily maintenance on all non-porous bathroom surfaces and fixtures. It contains no harmful alkalies or abrasives and will not etch, or pit metal or porcelain fixtures and will not harm carpet if accidentally spilled. EPA Registered. USDA C2.

Availability: F270012 (12/32 Oz), F270022 (4/1 Gal), F270026 (1/5 Pail), F270038 (1/55 Drum) Quart case includes 1 bowl mop.

BLU-LITE

A ready-to-use, germicidal, phosphoric acid type bowl cleaner that dissolves lime, magnesium scales, iron and rust stains. Cherry fragrance, opaque blue color. Use on ceramics, plastic, non-ferrous metals and grouting. EPA Registered. USDA C2.

Availability: F968512 (12/32 Oz) Quart case includes 1 bowl mop.

LB #5 NON-ACID BOWL CLEANER

Concentrated daily maintenance cleaner and deodorizer for toilet bowls, urinals, bathtubs, sinks, shower stalls, and other hard non-porous surfaces. In Lightning Blend packaging. It leaves restrooms and other areas clean, with a fresh, long lasting fresh floral fragrance, pink color. Dual quat formulation, biodegradable. Recommended dilution: Normal (1:128). USDA C2.

Availability: F454022 (4/1 Gal)

Soap Scum Removers

FORMULA 900®

Our best selling soap scum remover and all-around restroom cleaner. A low odor, non-acid formulation that produces a thick, heavy foam that clings to vertical surfaces. Bland fragrance, green color. Recommended for use in showers, restrooms, swimming pools and on hard non-porous washable surfaces. In cold climates it neutralizes ice melt residue. Recommended dilution: Normal (1:10), Heavy build-up (1:5). USDA A4.

Availability: F967012 (12/32 Oz), F967022 (4/1 Gal), F967026 (1/5 Pail), F967038 (1/55 Drum)

FORMULA 900® RTU

Our best selling ready-to-use soap scum remover and all-around restroom cleaner. A low odor, non-acid formulation that produces a thick, heavy foam that clings to vertical surfaces. Bland fragrance, green color. Recommended for use in showers, restrooms, swimming pools and on hard non-porous washable surfaces. In cold climates it neutralizes ice melt residue. USDA A4.

Availability: F464012 (12/32 Oz) Quart case includes 3 trigger sprayers.

T.E.T. #19 TUB & TILE CLEANER

Ultra concentrated hard water soap scum and stain remover in our T.E.T. mobile dilution packaging. Lemon fragrance, green color. Eliminates the need for multiple products. Saves labor, simplifies training, reduces inventory and storage requirements. Biodegradable. Recommended dilution: Normal (1:8).

Availability: F378219 (2/64 Oz)

SCALEAWAY

A unique, ready-to-use, acidic, non abrasive liquid formulation that safely dissolves hardened film, scale and rust caused by lime, magnesium, iron and other mineral deposits in the water supply. Fresh green floral fragrance, blue color. Recommended for use on tile, porcelain, chrome, fiberglass and stainless steel. USDA C1.

Availability: F229012 (12/32 Oz)

Food Service

CLEARINSE®

A powerful, high foaming cleaner/degreaser designed specifically to remove heavy accumulations of grease, blood, fats and marrow. Produces a thick, clinging foam that adheres to all surfaces for effective cleaning. Slight solvent fragrance, yellow color. Rinses easily. Recommended dilution: Normal (1:80). USDA A1.

Availability: F213522 (4/1 Gal), F213526 (1/5 Pail), F213538 (1/55 Drum)

AQ+

A 1:512 dilution quaternary based food area sanitizer. As a final rinse it sanitizes all food surfaces, sinks, countertops and utensils. Bland fragrance, clear color. Especially useful in food processing plants, dairies, laboratories, educational institutions, health care facilities, veterinary and farm applications. Recommended dilution: Sanitizer (1:512). EPA Registered. USDA D2.

Availability: F273022 (4/1 Gal)

T.E.T. #11 FOOD AREA DEGREASER

Ultra concentrated, high foaming, high strength food area cleaner and degreaser in our T.E.T. mobile dilution control packaging. Powerful clinging foam penetrates and emulsifies soil for easy removal. No odor, light amber color. Recommended dilution: One squeeze equals one bucket (1 gallon) of ready-to-use cleaning solution (1:128). USDA A1.

Availability: F376418 (3/32 Oz)

STAINLESS STEEL CLEANER/MAINTAINER

A ready-to-use, non-abrasive, liquid cleaner that polishes and protects most surfaces. USDA A7.

Availability: F986012 (12/32 Oz) Quart case includes 2 trigger sprayers.

DEEP LUSTER™

Aerosol stainless steel cleaner that is a blend of water, oils, and cleaning agents. USDA A7.

Availability: F423015 (12/18 Oz)

Hand Care

PINK STORM

Our most popular hand soap. PINK STORM is a rich concentrated lotion hand soap which is mild to the skin. It cleans without harsh chemicals or alkalis to irritate the skin and is effective against grimy stains, grease and ink. Ready-to-use, just pour in your liquid hand soap dispenser. USDA E1.

Availability: F271022 (4/1 Gal), F271038 (1/55 Drum)

LEMON LOTION

A concentrated natural coconut - based hand soap. Mild to the skin yet effective against grimy stains and grease. Ready to pour into your soap dispensers without dilution. Features a fresh lemon scent.

Availability: F502022 (4/1 Gal)

CLEAN HANDS DISPENSER

An attractive wall unit which uses our unique tamper resistant sealed cartridges. Clear, high density plastic design allows easy view of soap level. The push style bar is easy to operate and dispenses consistent controlled portions. Complies with the American Disabilities Act (ADA).

Availability: F269098 (12/case)

CLEAN HANDS LOTIONIZED CLEANER

A ready-to-use, mild pink "pearlized" hand cleaner with a pleasant floral fragrance, so gentle it can be used as a body and hair shampoo. Tamper resistant sealed cartridges are convenient, user friendly, easy to replace. USDA E1.

Availability: F268098 (12/500 ml/case)

Lightning Blend

The Lightning Blend System is the easiest, most economical system for any size building.

LB #1 GLASS CLEANER

Ultra concentrated multi-solvent blend effectively cuts through dirt, grease, smoke, finger marks and grime on glass and other hard surfaces including Plexiglas. Dries quickly with no streaks or smears. Camphor fragrance, blue color. Recommended dilution: Normal (1:128), Heavy duty (1:32). USDA C1.

Availability: F455522 (4/1 Gal)

LB #2 NEUTRAL CLEANER

A highly effective, low foaming neutral cleaner in our Lightning Blend packaging. Cleans without dulling, rinse free and biodegradable. May be used with a mop or autoscrubber. Pleasant herbal fragrance. Can be used on any surface not harmed by water. Recommended dilution: Normal (1:128). USDA C1.

Availability: F452022 (4/1 Gal)

THE LIGHTNING BLEND SYSTEM

The concept is simple - concentrated products and a choice of stationary dilution control units that deliver ready-to-use products at the touch of a button. The system includes a broad product line to meet your cleaning needs. Reduces cost by eliminating waste due to glugging, and provides correct dilution for consistent product performance.

The Lightning Blend System incorporates colors, numbers, "non-text" universal language graphics on all materials for easy recognition, training and safety.

The Lightning Blend System includes an extensive array of printed training and support materials: English/Spanish product labels, product data sheets, secondary labels, English/Spanish MSDS, UV silk-screened trigger spray bottles and wall charts.

LB #3 MALODOR COUNTERACTANT

Concentrated malodor counteractant that is designed for Lightning Blend dispensing program. Red color. Its fresh herbal/citral fragrance is not overpowering and eliminates a wide range of disagreeable odors. Recommended dilution: Normal (1:128). USDA C1.

Availability: F453022 (4/1 Gal)

LB #4 CLEANER/DEGREASER CITRAL

Multi-purpose, concentrated natural citral solvent cleaner/degreaser. Use for daily and heavy duty cleaning/degreasing of washable hard surfaces. Pleasant citrus fragrance, light orange color. This powerful biodegradable formula is also suited for use on concrete, machinery, equipment and other tough to clean surfaces. Recommended dilution: Normal (1:128), Heavy duty (1:32). USDA C1.

Availability: F450022 (4/1 Gal)

LB #5 NON-ACID BOWL CLEANER

Concentrated daily maintenance cleaner and deodorizer for toilet bowls, urinals, bathtubs, sinks, shower stalls, and other hard non-porous surfaces. It leaves restrooms and other areas clean, with a fresh, long lasting fresh floral fragrance, pink color. Dual quat formulation, biodegradable. Recommended dilution: Normal (1:128). USDA C2.

Availability: F454022 (4/1 Gal)

LB #6 ONE-STEP NEUTRAL DISINFECTANT CLEANER

Concentrated hospital grade neutral one-step disinfectant cleaner/deodorizer designed for Lightning Blend dispensing program. Effective against a broad range of pathogens and HIV-1 (AIDS). Pleasant alpine fragrance, purple color. Will not dull or damage floor finishes. Ideal for use on floors and hard non-porous surfaces. Recommended dilution: Normal (1:128). EPA Registered. USDA C1.

Availability: F248422 (4/1 Gal)

Lightning Blend

LB #10 SPEED SPRAY POWER CLEANER

Ultra concentrated, non-butyl spray and wipe multi-use power cleaner available in our Lightning Blend packaging. Our strongest heavy duty cleaner that quickly removes tough soils from washable hard surfaces. Menthol fragrance, purple color. Recommended dilution: Normal (1:10). USDA C1.

Availability: F379022 (4/1 Gal)

LB #20 UHS COMBO CLEANER/ MAINTAINER

Our best UHS cleaner/maintainer. This non-film forming product provides superior cleaning, revitalizes the finish to extend strip and recoat cycles, builds gloss and reduces powdering. Ideal for use with automatic scrubbers and/or mop and bucket. Citrus fragrance, clear straw color. Recommended for use on all finished floors. Recommended dilution: Normal (1:128). USDA C1.

Availability: F455822 (4/1 Gal)

LB #21 ANSWER™ MULTI-USE CARPET CLEANER

Our most versatile carpet cleaner. This complete carpet cleaner can be used in 4 ways; as a spotter, a prespray, a spin clean and an extraction cleaner. This unique formulation provides safe/carefree maintenance of all commercial carpet types. Biodegradable, low foaming, neutral pH. Pleasing fresh apple fragrance, light straw color. Approved by Wool's of New Zealand. Recommended dilution: Spotter (1:32), Prespray (1:64), Bonnet (1:64), Extraction (1:128).

Availability: F380422 (4/1 Gal)

The Lightning Blend System incorporates colors, numbers, "non-text" universal language graphics on all materials for easy recognition, training and safety.

SELECT SERIES

State of the art dilution control technology in a low cost open wire rack system that guarantees exact dilution and consistent product performance. Its compact size is ideal for use where space is limited. Available in three configurations - Select 4 + 1 (4 Low Flow and 1 High Flow), Single High Flow and Single Low Flow units. Create custom Lightning Blend systems to meet your individual requirements.

Availability: F490798 - Select Mix 4+1 Complete, F490898 - Select Low Flow Complete, F490998 - Select High Flow Complete, F490098 - Select Mix 4+1 Dispenser Only, F490198 - Single Low Flow Dispenser Only, F490298 - Single High Flow Dispenser Only

ACCESSORIES

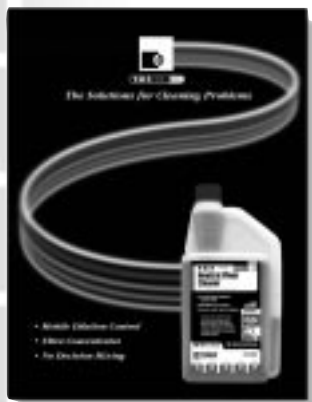

Availability: F490498 - 4 Gallon Wire Rack, F490598 - 4 Gallon Locking Kit, F490398 - 1 Gallon Wire Rack, 91208 - 4 Round Gallon Wire Rack, F491098 - Padlock, F490698 - Barbed "Y" Fitting, F491698 - Check Valve

ENCLOSED SERIES

State of the art dilution control technology in an enclosed system that limits access to concentrates. Easy, slide down access panels simplify concentrate replacement. Rugged molded construction is lightweight and durable. Access panel windows allow viewing concentrate levels without opening cabinets. Available in 2+2 Enclosed Dispenser (2 Low Flow and 2 High Flow), Single Low Flow and Single High Flow units.

Availability: F491198 - 2+2 Enclosed Dispenser, F491298 - Single Low Flow Enclosed, F491398 - Single High Flow Enclosed

T.E.T. These = Those

T.E.T. is a comprehensive line of portion-controlled, ultra concentrated products.

T.E.T. MOBILE DILUTION SYSTEM

A smart alternative to conventional, stationary dilution control. T.E.T. gives you go-anywhere, equipment-less dilution control. Light weight compact package design provides mobility and is easily moved from site to site and to the nearest water supply. Simply squeeze the bottle and the concentrate fills the "cup" chamber. Pour the exact amount into appropriate dispensing unit, trigger sprayer bottle, bucket, pump sprayer, pail or autoscrubber tank.

COST-EFFECTIVE

High volume, low in-use cost! No waste, no glugging, consistent results. Saves labor, instant ready-to-use solution as close as the nearest water source. Moves to the job-site reducing "walking labor".

T.E.T. #1 GLASS CLEANER

Ultra concentrated non-ammoniated glass cleaner in our T.E.T. mobile dilution packaging. This multi-solvent blend effectively cuts through dirt, grease and grime on glass and other hard surfaces including Plexiglas. Dries quickly with no streaks or smears. Camphor fragrance, blue color. Recommended dilution: Normal (1:32). USDA C1.

Availability: F378616 (2/16 Oz)

T.E.T. #2 NEUTRAL FLOOR CLEANER

Ultra concentrated, low foaming neutral cleaner in our T.E.T. mobile dilution packaging. Pleasant citrus fragrance, red color. Effectively cleans without dulling the finish, rinse free, biodegradable. One quart bottle yields 32 four gallon buckets (1:512) or 32 eight gallon automatic scrubber tanks (1:1024).

Availability: F375418 (3/32 Oz)

T.E.T. #4 MULTI-USE DEGREASER

Ultra concentrated heavy-duty, high alkaline, butyl cleaner/degreaser in our T.E.T. mobile dilution packaging. Biodegradable and free rinsing. Lemon fragrance, light yellow color. Use for daily and heavy duty cleaning/degreasing of washable hard surfaces. Recommended dilution: Normal (1:8).

Availability: F375819 (2/64 Oz)

T.E.T. #6 DISINFECTANT CLEANER

Ultra concentrated, mild alkaline pH disinfectant cleaner in our T.E.T. mobile dilution packaging. Our most economical in-use dilution germicidal cleaner. Fresh floral fragrance, green color. Effective against a broad range of pathogens and HIV-1 (AIDS). Recommended dilution: Normal (1:256). EPA Registered. USDA C1.

Availability: F377428 (4/64 Oz)

T.E.T. #7 NEUTRAL DISINFECTANT CLEANER

Ultra concentrated, neutral disinfectant cleaner in our T.E.T. mobile dilution packaging. A one-step, neutral germicidal cleaner and deodorizer that provides both cleaning and disinfection. Alpine fragrance, green color. Effective against a broad range of pathogens and HIV-1 (AIDS). Will not dull or damage floor finishes. For use on hard non-porous surfaces such as floors, walls, metal surfaces, tables, chairs, countertops, porcelain and sinks. Recommended dilution: Normal (1:128). EPA Registered. USDA C1.

Availability: F377628 (4/64 Oz)

T.E.T. #10 SPEED SPRAY POWER CLEANER

Ultra concentrated, non-butyl spray and wipe multi-use power cleaner in our T.E.T. mobile dilution packaging. Our strongest heavy duty cleaner that quickly removes tough soils from washable hard surfaces. Menthol fragrance, purple color. Recommended dilution: Normal (1:8). USDA C1.

Availability: F379019 (2/64 Oz)

T.E.T. These = Those

T.E.T. #11 FOOD AREA DEGREASER

Ultra concentrated, high foaming, high strength food area cleaner and degreaser in our T.E.T. mobile dilution control packaging. Powerful clinging foam penetrates and emulsifies soil for easy removal. USDA authorized for use in food processing and handling areas. No odor, light amber color. Recommended dilution: One squeeze equals one bucket (1 gallon) of ready-to-use cleaning solution (1:128). USDA A1.

Availability: F376418 (3/32 Oz)

T.E.T. #12 POWER STRIPPER

A highly concentrated, non-butyl, low odor, low pH stripper in our T.E.T. mobile dilution packaging. Leaves no alkaline residue. Recommended for use on marble, vinyl, vinyl composition, asphalt, rubber, brick, terrazzo, linoleum and concrete. One quart yields four gallons in-use stripping solution. Recommended dilution: Normal (1:16), Heavy build-up (1:8).

Availability: F379214 (6/32 Oz)

T.E.T. MALODOR COUNTERACTANTS

#13 GRANNY APPLE, #14 CANCEL, #15 ORANGES

Ultra concentrated liquid, multi-purpose malodor counteractants in the easy to use T.E.T. mobile dilution control packaging. Available in a variety of pleasing fragrances. Recommended dilution: Normal (1:32). USDA C1.

Availability:

#13 - Granny Apple F376816 (2/16 Oz)

#14 - Cancel F377216 (2/16 Oz)

#15 - Oranges F374816 (2/16/Oz)

T.E.T. #16 CARPET 3 IN 1 CLEANER

Ultra concentrated, neutral pH multi-use carpet cleaner in our T.E.T. mobile dilution packaging, floral fragrance, light amber color. This triple action cleaner can be used as a prespray, spin bonnet or extraction cleaner. Works quickly and effectively on most water and oil based soils. Safe for stain resistant carpeting. Recommended dilution: One half gallon yields 16 two gallon pump sprayers (1:64) or 16 four gallon buckets of ready-to-use cleaning solution (1:128).

Availability: F375028 (4/64 Oz)

T.E.T. #17 X-TRAX® CLEANER

An ultra concentrated neutral pH carpet extraction cleaner in our T.E.T. mobile dilution control packaging. Removes embedded soils easily with excellent wetting and detergency characteristics. For professional use on all types of commercial and residential carpets. Its low odor makes it ideal for use in nursing homes, hospitals, nurseries. Recommended dilution: Normal (1:128).

Availability: F375228 (4/64 Oz)

T.E.T. #18 DEFOAMER

Anti-foaming additive in our T.E.T. mobile dilution control packaging. No fragrance, white emulsion. Eliminates foam in extraction equipment recovery tanks caused by shampoo residue in the carpet. Also can be added to autoscrubber recovery tanks if foam accumulation is a problem. Recommended dilution: 1 oz per 8 gallon recovery tank.

Availability: F378016 (2/16 Oz)

T.E.T. # 19 TUB & TILE CLEANER

Ultra concentrated hard water soap scum and stain remover in our T.E.T. mobile dilution packaging. Lemon fragrance, green color. Eliminates the need for multiple products. Saves labor, simplifies training, reduces inventory and storage requirements. Biodegradable. Recommended dilution: Normal (1:8).

Availability: F378219 (2/64 Oz)

T.E.T. #20 UHS COMBO CLEANER/ MAINTAINER

Our best UHS cleaner/maintainer. This non-film forming product provides superior cleaning, revitalizes the finish to extend strip and recoat cycles, builds gloss and reduces powdering. Ideal for use with automatic scrubbers, and /or mop and bucket. Citrus fragrance, clear straw color. Recommended for use on all finished floors. Recommended dilution: (1:256). USDA C1.

Availability: F378419 (2/64 Oz)

Aerosols

GRAF IT OUT™

Aerosol graffiti remover provides the solvency needed to remove gum, ink, crayon, adhesive, lipstick, asphalt, tar and more. Safe for most washable surfaces. Uses a powerful natural citrus solvent that is combined with petroleum solvents to penetrate and remove most graffiti. Contains no CFC's. USDA C1.

Availability: F429015 (12/16 Oz)

FIRST CLASS™

A premium silicone based furniture polish that cleans and waxes in one operation. Leaves a beautiful luster that resists dust, smudges and fingerprints. Contains no CFC's, VOC compliant. Ideal for veneer furniture, table tops, desks, chairs and more. May be used on vinyl, plastic, and rubber surfaces.

Availability: F801015 (12/18 Oz)

SIMPLEX D-L

Aerosol heavy duty cleaner and degreaser with natural citral solvents. Non-butyl formulation uses powerful natural d'limonene solvents. Contains no CFC's, VOC compliant. Its powerful foaming spray clings to vertical surfaces to increase dwell time and penetrate tough stains. Recommended for use on hard surfaces. May also be used to spot clean rugs, carpet and upholstery. USDA C1.

Availability: F428015 (12/18 Oz)

VANGARD™

Aerosol phenolic disinfectant surface and space spray. Effective against a broad range of pathogens including HIV-1 (AIDS) and TB. Disinfects pre-cleaned hard non-porous surfaces, eliminates odors and mildew. Pleasant citrus fragrance. EPA Registered. USDA C1.

Availability: F806215 (12/16 Oz)

ONE MOMENT™

Aerosol foaming cleaner and disinfectant. Clean, disinfect and deodorize in one easy operation. Effective against a broad range of pathogens and HIV-1 (AIDS). Fresh citral fragrance. Cleans and brightens all hard non-porous surfaces and fixtures. EPA Registered. USDA C1.

Availability: F803215 (12/18 Oz)

BLUE SKY™

Aerosol glass cleaner cleans and polishes with a fast acting foaming spray. The ammoniated formula cleans glass without streaking and smearing and is safe for most washable surfaces. Can be used on chrome, porcelain, ceramic tile, acrylic, Plexiglas, baked enamel, metal cabinets, lockers, vinyl and plastic. Contains no CFC's, VOC compliant. USDA C1.

Availability: F805015 (12/17 Oz)

CRISP™

This quick, freezing type chewing gum remover simplifies the messy task of removing gum, candle wax and other soft sticky materials from carpets, floors, cement, furniture, tables, and clothing. Frozen material can easily be scraped away with a spatula or knife. Contains no CFC's.

Availability: F426015 (12/5 Oz)

DEEP LUSTER™

Aerosol stainless steel cleaner that is a blend of water, oils, and cleaning agents formulated to remove stains, smudges, fingerprints and other soils from steel, chrome and aluminum. It cleans down to the bare metal and leaves a protective coating that resists soils and leaves a shine. Contains no CFC's, VOC compliant. USDA A7.

Availability: F423015 (12/18 Oz)

ALPINE

Aerosol air freshener malodor counteractant that eliminates disagreeable odors without the overpowering masking perfumes found in most deodorants. Pleasant alpine fragrance. A 2 second burst deodorizes a 10' x 10' area. Contains no CFC's.

Availability: F807015 (12/15 Oz)

HEATHER

Aerosol air freshener malodor counteractant that eliminates disagreeable odors without the overpowering masking perfumes found in most deodorants. Pleasant heather fragrance. A 2 second burst deodorizes a 10' x 10' area. Contains no CFC's.

Availability: F808015 (12/15 Oz)

FILM BUSTER™

Aerosol baseboard stripper. Concentrated heavy duty formulation removes floor finish, wax and soil buildup from baseboards, floors, edges, corners and other difficult to reach areas. Recommended for use on vinyl, vinyl composition, asbestos, terrazzo, ceramic and quarry tile floors. USDA C1.

Availability: F424015 (12/18 Oz)

Ready-to-Use

GLASS CLEANER

A ready-to-use non-foaming glass cleaner that rapidly penetrates and dissolves smears, smoke film, finger marks and soil. Camphor fragrance, blue color. Recommended for use on mirrors, windows, chrome and other reflective surfaces. USDA C1.

Availability: F419312 (12/32 Oz) Quart case includes 2 trigger sprayers, F419322 (4/1 Gal)

STAINLESS STEEL CLEANER/MAINTAINER

A ready-to-use, non-abrasive liquid that cleans, polishes and protects most surfaces including stainless steel, enameled appliances, laminated plastics and ceramic tile. Removes water and oil based stains, finger marks and smudges while producing a bright and shiny finish. Bland fragrance, blue color. USDA A7.

Availability: F986012 (12/32 Oz) Quart case includes 2 trigger sprayers.

2'N 1 RUG SPOTTER RTU

General purpose ready-to-use water-based spotter. Removes most oil and waterbased spots and stains. Use for daily spotting as well as for spotting prior to any carpet cleaning.

Availability: F374012 (12/32 Oz) Quart case includes 2 cleaning pads.

BROWN BEE GONE RTU

Ready-to-use mild acid formula designed to remove coffee, red wine, rust, tea, urine and browning stains from carpet. Use for daily spotting as well as for spotting prior to any carpet cleaning.

Availability: F374612 (12/32 Oz)

SPRAY & WIPE CLEANER

A ready-to-use, all-purpose cleaner that sprays on and wipes off with no rinsing needed. Removes common soils and stubborn oily soils from most surfaces without streaking or left-over film. Pine fragrance, green color.

Availability: F430212 (12/32 Oz) Quart case includes 2 trigger sprayers.

SCALEAWAY

A ready-to-use non-abrasive liquid bathroom cleaner and scale remover. Unique acidic formulation safely dissolves hardened film, scale and rust caused by lime, magnesium, iron and other mineral deposits in the water supply. Use on tile, porcelain, chrome, fiberglass and stainless steel. Fresh green floral fragrance, blue color. USDA C1.

Availability: F229012 (12/32 Oz)

DUTCH®

A multi-purpose ready-to-use spray on cleaner and disinfectant. Just spray on and wipe off, with no rinsing needed. It will remove grease and most stubborn stains from most hard surfaces. No mixing or diluting. Solvent fragrance, clear blue color. EPA Registered. USDA C1.

Availability: F414412 (12/32 Oz) Quart case includes 2 trigger sprayers

FORMULA 900® RTU

Our best selling ready-to-use soap scum remover and all-around restroom cleaner. A low odor, non-acid formulation that produces a thick, heavy foam that clings to vertical surfaces. Bland fragrance, green color. Recommended for use in showers, restrooms, swimming pools and on hard non-porous washable surfaces. In cold climates it neutralizes ice melt residue. USDA A4.

Availability: F464012 (12/32 Oz) Quart case includes 3 trigger sprayers.

LIQUID SCOURING CLEANSER

A ready-to-use scouring cleanser that contains soft and gentle, but very effective abrasives. It removes organic stains, rust build-up, soap scum, oil, grease, rubber heel marks and many other types of soils. Mild fragrance, gray color.

Availability: F540080 (12/26 Oz)

FRIENDLY AIR™

(NOT PICTURED)

A ready-to-use, waterbased non-staining malodor counteractant spray. FRIENDLY AIR™ eliminates a broad spectrum of disagreeable and lingering odors. Exclusive spring garden fragrance freshens indoor air and eliminates malodors. USDA C2.

Availability: F410512 (12/32 Oz) Quart case includes 2 trigger sprayers.

G-O-E-S RTU

A ready-to-use economical general purpose butyl cleaner/degreaser. Removes grease, oil, wax and heavy soil from all hard surfaces. Ideal for spot cleaning or rapid cleaning where minimal dwell time is necessary such as vertical surfaces. Mild solvent fragrance, rose color. USDA C1.

Availability: F465012 (12/32 Oz) Quart case includes 3 trigger sprayers

LEMON SPEEDWAX FURNITURE POLISH

A ready-to-use silicone based furniture polish with highly refined wax for high gloss and durability. Cleans, dusts and polishes in one application. Lemon fragrance, tan color.

Availability: F433006 (12/16 Oz) Case includes 2 trigger sprayers.

VP

A ready-to-use vinyl cleaner and silicone based preservative. This double-active formula cleans away dust and grease film and gives vinyl surfaces a protective lustrous sheen. Lime fragrance, white color.

Availability: F274012 (12/32 Oz) Quart case includes 2 trigger sprayers.

Floor Maintenance Pads

Brillo floor maintenance pads feature open weave construction, heavy-denier fibers, extra large abrasive particles and a unique bonding system.

BRILLO® FLOOR PADS

Our extensive line of polyester, nylon, high speed and UHS pads and High Performance Strip Pads has been specifically designed and tested to provide optimum performance, maximum productivity and extended pad life. Whether used in a dry, wet or spray maintenance system, our wide range of products offer rugged, open mesh construction to facilitate good absorption, easy cleaning and fast drying. These pads are available in a broad range of sizes and functions.

BIG BOSS II

All Purpose Cleaning Pad
V890116 24/1 PK.

GRILL CLEANING PAD

Gray Abrasive Grill & Griddle Cleaning Pad
V925216 6/10 PK.

KURLY KATE® STEEL SPONGES

High quality metal sponges that are durable and rust free. The sponge quickly removes grease, dirt and grime from soft metals, tinned surfaces, stainless steel equipment, aluminum, copper and stainless steel. Available in stainless steel and special bronze. Stainless steel is the most aggressive of the sponges, available in large and medium size. Special bronze is recommended for use on soft metals and tinned surfaces.

Availability: Stainless Steel - Large Size – L175613 (6/12 Pk), Medium Size – L130012 (12/12 Pk), Special Bronze – L180513 (6/12 Pk)

BRILLO® UTILITY PADS

Will not rust, splinter or corrode. Heavy denier, unique bonding with extra-large abrasive particles. Easy to clean and gentle on hands. Brillo's large-diameter, extra-tough fibers produce pads that are far stronger, maintain their shape much longer, and work harder. Our special bonding system significantly enhances strength and durability, offers superior water resistance (no water-logged pads), and speeds up drying time.

BLUE SCRUB PAD

4.5 x 10" Thin
V 353515 4/5 PK.

WHITE PAD - LIGHT DUTY

4.5 x 10" Thick
V 333515 4/5 PK.

BROWN STRIP PAD

4.5 x 10" Thick
V 363515 4/5 PK.

BLACK HIGH PERFORMANCE STRIP PAD

4.5 x 10" Thin
N 293515 4/5 PK.

SWIVEL PAD HOLDER & PADS

4 Holders and 4 combo packs (1 White and 1 Brown pad - 4.5 x 10")
V 539915 1/4 PK.

Trigger Spray Bottles

LIGHTNING BLEND TRIGGER SPRAY BOTTLES

Available for most Lightning Blend products. The bottles are color coded, the labeling includes English and Spanish directions, and personal protection equipment icons.

Availability: LB #1 F455598, LB #2 F452098, LB #3 F453098, LB #4 F450098, LB #5 F454098, LB #6 F248498, LB #10 F379098, LB #21 F380498 All bottles packaged 24/case.

T.E.T. TRIGGER SPRAY BOTTLES

Available for most T.E.T. products. The bottles are color coded, the labeling includes English and Spanish directions, and personal protection equipment icons.

Availability: T.E.T. #1 F378698, T.E.T. #2 F375498, T.E.T. #4 F375898, T.E.T. #6 F377498, T.E.T. #7 F377698, T.E.T. #10 F379098, T.E.T. #11 F376498, T.E.T. #13 F376898, T.E.T. #14 F377298, T.E.T. #15 F374898, T.E.T. #16 F375098, T.E.T. #19 F378298 All bottles packaged 24/case.

NOTE: Trigger spray bottles also available for Sani-Turge II F277098, Brillo Window Cleaner K556498 and AQ+ F273098

Institutional Products

BRILLO® WINDOW CLEANER

A non-foaming, non-ammoniated formula that penetrates and dissolves smoke film, finger marks and most other soils from mirrors, windows, chrome and other reflective surfaces without smears. USDA C1.

Availability: K556422 (4/1 Gal)

BRILLO® PINOSAN

BRILLO® PINOSAN cleans, disinfects and sanitizes. For use in hospitals, hotels, and public institutions. This pine scented liquid may be used on floors, walls, shower rooms, restrooms and other surfaces not harmed by water. EPA Registered. USDA D1.

Availability: K538422 (4/1 Gal)

ALL PURPOSE LIQUID DUTCH

A highly concentrated all purpose, fast working ammoniated cleaner for most soils and surfaces. Rapidly attacks dirt, soil and grease – lifts them from the surface for easy removal. USDA C1.

Availability: K537322 (4/1 Gal)

BCQ

A thick, non-acid bowl and bathroom cleaner designed for daily maintenance, cleaning and deodorizing of toilet bowls, urinals, bathtubs, sinks, shower stalls and other hard non-porous surfaces. Controls the hazard of cross-contamination and kills many organisms that cause odors. Virucidal against HIV-1 (AIDS Virus). EPA Registered. USDA C2.

Availability: K381012 (12/32 Oz)
Includes one bowl mop per case.

BRILLO® VANQUISH

A highly concentrated, water-soluble liquid malodor counteractant. Works without the use of heavy perfumes or masking agents. Fast acting and long lasting. Pleasant spring bouquet fragrance. USDA C2.

Availability: K533522 (4/1 Gal),
K533512 (12/32 Oz)

TREND-X BEADS

(NOT PICTURED)

A biodegradable, powder dishwashing detergent with superior sudsing in all types of water conditions. Also excellent for car washing or light laundering. Recommended for use on floors, walls, and most other water safe surfaces.

Availability: P740010 (25 lb. Carton),
P741010 (50 lb. Carton)

PINK LOTION TREND

A lotionized dish washing detergent, pleasantly scented and mild to the hands. Produces long lasting mild suds. Emulsifies grease and oils, loosens caked on food from dishes, glassware, pots and pans. USDA A1.

Availability: K553322 (4/1 Gal),
K553326 (1/5 Pail)

INSTITUTIONAL DUTCH CLEANSER W/CHLORINE BLEACH

Bleaches, brightens and removes stains. A fine quality cleanser for use in hotels, restaurants, and other institutions. A phosphate free, abrasive cleaning compound containing a surfactant and other cleaning agents in silica flour.

Availability: P782088 (24/21 Oz)

INSTITUTIONAL BAB-O W/BLEACH

A triple acting formula of detergent, chlorine bleach and scouring powder works quickly to cut grease, bleach stains and remove soil and dirt. Phosphate free, pleasantly perfumed.

Availability: P752088 (24/21 Oz)

BRILLO® HOTEL SIZE SOAP PADS

(NOT PICTURED)

The special combination of metal fiber and soap in these BRILLO® SOAP PADS dissolves stubborn grease and lifts off sticky food particles leaving a bright new shine. These pads work double time and one pad cleans many items, cutting cost by saving labor and time.

Availability: W240000 (12/10 Pk)

INSTITUTIONAL HEAVY DUTY DETERGENT

(NOT PICTURED)

A concentrated blend of cleaning agents that emulsify grease and dirt in either hard or soft water with excellent results. It contains water softeners, fabric brighteners, grease emulsifiers and soil suspending agents.

Availability: P550262 (50 lb. carton)

DRY BLEACH

Easy and convenient to use, dissolves instantly and releases its power at a controlled rate to prevent over bleaching. For use on all fabrics and all colors.

Availability: P710162 (50 lb. drum)

LUXURY BAR SOAP

(NOT PICTURED)

A hard milled bar soap manufactured from the finest ingredients. Pleasing perfume is subtle and appeals to most everyone using this fine quality soap. Available wrapped or unwrapped.

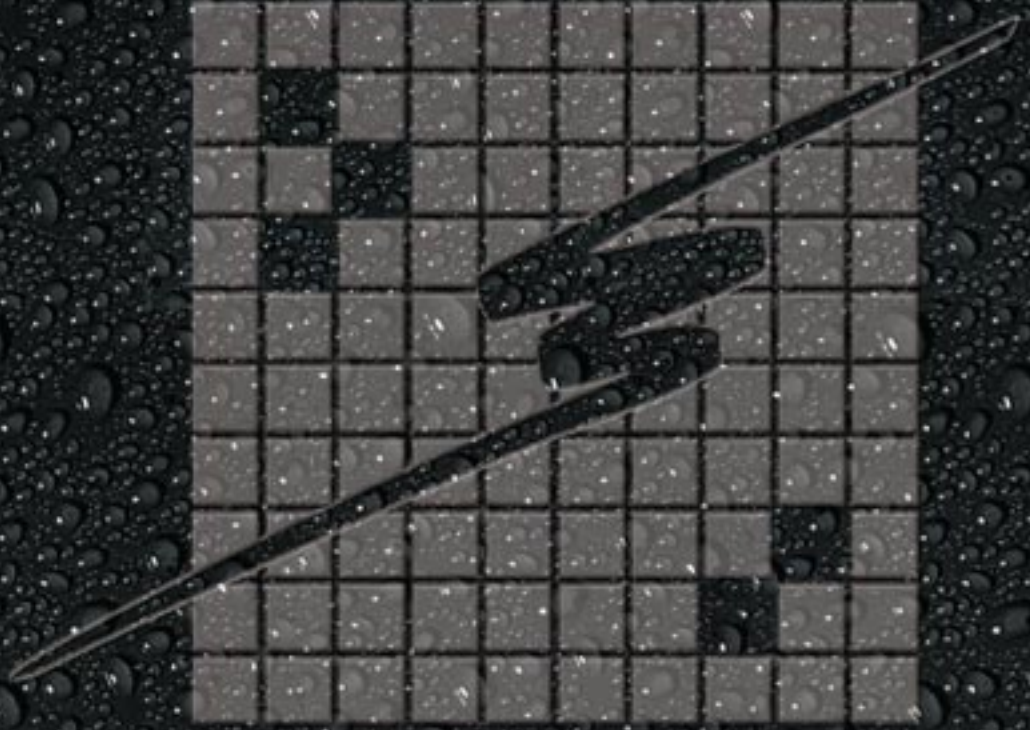

Availability: Luxury Complexion Unwrapped 3 Oz – P864302 (200/cs), Luxury Deodorant Unwrapped 3 Oz – P865302 (200/cs), Luxury Complexion Wrapped 1.25 Oz – P943001 (500/cs), Luxury Deodorant Wrapped 1.5 Oz – P944001 (500/case), Luxury Wrapped 0.75 Oz – P923001 (1000/cs), Luxury Unwrapped 0.5 Oz – P913000 (1000/cs), Luxury Wrapped 0.5 Oz – P913101 (1000/cs)
